Item 4: Mayor Millirons-City of Morrow wins the Georgia Historical Records Advisory Board (GHRAB) Award for Advocacy. We were selected as a winner because our efforts made it possible for the Georgia Archives to build a new facility and to move to the City of Morrow in Clayton County. This was a tremendous accomplishment and will bring about many positive benefits for the Archives and for historical records in the state. Since GHRAB is charged by its enabling legislation to support efforts to improve the condition of historical records statewide and to promote the educational use of Georgia's documentary, the Board feels it is fitting that they recognize our excellent work.
