# 2012 Safe Halloween a Success!

The City of Morrow Police Department hosted the City's Annual "Safe Halloween" on October 31, 2012, to the delight of children young and old. Milton Daniel Park adjacent to City Hall was decorated for the event. Children had the opportunity to play games with candy as the outcome. In addition, City of Morrow resident Craig Drummond sold kettle corn with the proceeds going to the Police Christmas program, which provides Christmas to less fortunate children in Morrow. The evening was a safe and fun event for all who attended.
