

come to tomorrow

MORROW, GEORGIA

You Say Alfa, We Say Romeo Alfa Romeo, Alfa Romeo!

Morrow ~ now home to the only place in Georgia that offers the Classic ~ Alfa Romeo, at the FIAT on Southlake PKWY.

Morrow Welcomes Nam Dae Mun

Morrow welcomes this International Farmers Market to Mt. Zion. They will offer fruits, vegetables, meats, and seafood, all fresh and all at unbelievable prices. This will be the only market of its kind south of Atlanta. This is an important project for our community and will bring over 100 jobs into Clayton County. Morrow will be home to the 7th Nam Dae Mun in the State of Georgia. Look for more information on our website in the coming weeks and for an opening in the next 6 months.

Get in the Know

Visit the city website www.cityofmorrow.com and sign up with your email to receive emails about community events, press releases, and community news. If you want to keep up with the local happenings, this is a great way to do just that!

Southlake Mall

Southlake Mall has been the cornerstone of Clayton County's commercial district for over 3 decades. The mall is getting stronger every month. Under the management of Judy Pritchett, and the ownership of Vintage,

the mall is attracting new businesses and remains the critical piece of our economic engine. Go and visit the mall and see what everyone is talking about. Morrow is proud that Southlake Mall is in our community.

Councilman Virlyn Slaton

The passing of Former Councilman Virlyn Slaton leaves the City of Morrow without one of her greatest leaders. He began his service to the community on the Planning and Zoning Board and then became a Councilman. He was strong, he was deliberate, he was intelligent and the decisions he made for this city reflected all his attributes. During a recent ceremony honoring him with the dedication of the Virlyn Slaton Pass

along the pedestrian path system, Mr. Slaton challenged all Morrow residents to remain in the fight, "In Morrow we are fighters, so never give up fighting." Let us all take up the fight to keep Morrow successful and a wonderful place to call home. Councilman Slaton, we will miss you and we thank you.

Christmas in the Park

Morrow is pleased to announce Christmas in the Park scheduled for December 5, 2015. The event will feature local choirs, hot chocolate, the L'il General Train, the Lighting of the Tree, and of course, Santa Clause. This year look for details about a backyard barbeque contest! Don't miss the magic in Milton Daniel Park, details will be on the website.

Mayor's Corner...

Morrow is changing and I, along with the Council, am working to make these changes work in our favor. I am working to build relevant relationships with the county and state Economic Development offices. I understand Morrow's future relies on the strength of our commercial growth and we can better accomplish our economic goals through partnerships with those already in the Economic Development business. I am sure you will all be excited to see what is coming our way in the next 12 months. I have proven and will continue to prove to be the Mayor who can make the difficult decisions necessary to ensure our position in the market as we move forward.

Mayor JB Burke

Mayor Pro Tem Hang Tran

First and foremost, I would like to thank my constituents and supporters for my 2013 election! It was the beginning of my journey to achieve many goals for my constituents. In order to fulfill my duties successfully as a Councilwoman, I strive hard to learn and to gain more knowledge of how to do my work effectively from the Georgia Municipal Association and the UGA Carl Vinson Institute. This training broadened my understanding of how our municipal government is connected with the county, state and federal governments. I will try my best to keep those connections strong with good relationships. My goals are public safety, fairness, and growth in economic development. I have worked hard to open bids and create opprtunities for more people. I am working to create partnerships and identify grants that can benefit this community. My ultimate vision is to build a Vietnam Veteran monument within the City of Morrow. I have started to look for sponsorships and grants that will financially support this specific project. I look forward to serving the community and my decisions are not decisions that best benefit me or one group but I work for benefits for all the residents within our community.

Community Health Fair October 3, 2015

Join us in Milton Daniel Park on October 3, 2015, for a community Health Fair. We are working to offer health screenings and data to assist our citizens in assessing their health, If you want to serve as a health provider, volunteer, or sponsor, please contact Councilwoman Hang Tran at htran@cityofmorrow.com

Great things are happening in Morrow. Active citizens are working in the Morrow community gardens, creating citizen groups such as Neighbors Helping Neighbors, Neighborhood Watch and attending CERT training seminars. With your spare time please enjoy the Morrow Pedestrian Trails. It's a great way to exercise and enjoy nature at the same time. A citizens group has volunteered to plant attractive plants and shrubs along the trail this fall. Come join us at the Council meetings and learn more about your city. To provide the best community service we need to hear from you.

Councilman Larry Ferguson

I have witnessed many changes while serving on City Council, and recent changes will enhance our future goals. A new City Manager who has a vision for the redevelopment and growth of our City, she is devoted to Morrow and keeps us informed about important issues, meets with citizens to address concerns, and builds stronger relationships with local businesses. Another change is the neighborhood organizations. With the enthusiasm, work, and commitment of these organizations, we have been able to connect, establish and in some cases, reestablish good relationships with our citizens and partners to develop ideas that will benefit the seniors of our community. There are still more challenges but I believe that we all share a commitment to ensure that Morrow is the City where we are all proud to live and work.

Councilwoman Jeanell Bridges
